"DAILY NEWS:**Bullying at schools is on the increase"**

Bullying is a problem that is on the increase in the schools. In general, bullies are aggressive, physically, and verbally abusive and offensive to their victims.

At school, they usually call defenseless students horrible, rude names, they take their things without permission, and

leave offensive messages on their desks. But one area of bullying that is seriously out of control is cyberbullying. Bullies use social media and messaging apps to offend masses of students with one push of a button!

If you want to stop bullying, it is very important to stay calm and not respond with violence. Also, be careful about the information you share on social media, and do not do things you are not comfortable with or do not agree with".

WEATHER AND SEASONS

Lee el siguiente texto y responde a las preguntas de la 8-13. selecciona a, b, c

Last year, I went to Argentina, and I discovered an amazing thing about the seasons. We all know that there are four seasons: Winter, Spring, Summer and Autumn. But here's the thing: Argentina is in the Southern Hemisphere, so its four seasons are the opposite to the USA, which is in the Northern Hemisphere!

The Summer months in Argentina are from December to March, so the weather at Christmas is usually sunny and very hot. And the Winter months are from June to August, when it's usually cold, rainy and cloudy. From March to May, which is Autumn in Argentina, the weather is normally cold and windy. And in Spring, which is from September to November, the weather is warm, but it can be rainy sometimes.

40. How many seasons are there?

- A. 4 seasons
- B. 3 seasons
- C. 5 seasons

41. People from Argentina are called:

- a. Americas
- b. Argentinos
- c. Argentinian

42. How is the weather in Argentina in February?

- A. It's cold
- B. It's hot
- C. I don't know

43. When is Winter in Argentina?

- A. December-March
- B. March-May
- C. June-August

44. What is the season in Argentina during March-May?
