

## Exercise 5

*Choose the correct answers to complete the tips for preparing for the IELTS Reading test.*

1. Do/Don't complete plenty of IELTS Reading practice tests in the months before your IELTS test.
2. Do/Don't wait until a week before your IELTS test to start practising.
3. Do/Don't make sure that you are clear which of the two types of the IELTS test you need to take: IELTS Academic or IELTS General Training.
4. When you're doing practice tests, do/don't check your answers in a hurry. Instead, make sure that you understand all your mistakes.
5. Do/Don't practise reading widely in English. Read about a range of subjects that you're interested in.
6. Do/Don't read very slowly or look up all the new words you find. You need to practise reading quickly.
7. Do/Don't try to learn about a subject just because you've seen it in test practice materials.
