inferring word meaning (#5); making an inference (#6); applying information (#7)

Name: _____

Date: _____

Instructions: Read the email from a child's teacher. Answer the questions.

Email

Dear parent,

I am writing to you today to look for volunteers for some upcoming events. If you are able to volunteer at one or more of the events happening this month, please email me back with your availability.

October 15th: Apple Orchard Field trip: We need volunteers to travel with the Grade 3 classes on the bus to the local apple orchard. The bus will leave at 9:00 am and return at 11:30 am.

October 29th: Halloween Party: We need volunteers to help us organize and run activities for our Halloween party for the Grade 3 classes.

As a reminder, we also welcome volunteers to come in at any time for different activities. If you would like to read to the class, share a part of your culture, or help out in any way, please just let me know.

Thank you,

Ms. Smith
