What are you going to do ..... ?

Mike: What are you going to do for graduation?

Kevin: I'm going to have dinner in a nice restaurant with my family and my close friends. You're invited, too.

Mike: Thanks a lot, but I'm not going to be here. I'm going on a graduation trip to Europe. We're going to travel to London, Paris, Rome ...

Kevin: You're going to do what thousands of American students do every year. You're going to spend two weeks on a bus listening to the tour guide:

"This is Buckingham Palace, this is the Louvre, that's the Coliseum "

Boring! Not for me, man. I'm going to drive down to Mexico, and have the time of my life.
