

This Kind Of Love by The Future X

Chorus:

This kinda love is not the love
The ... told you all about
This kinda love is not the love
That's gonna make your ... proud
But it's the love that's in our
And it's the only ... we want
This kinda love
This kinda love

Let's talk about love
Let's talk about all the things we don't say
Hard ... , kinda
Here we go

Let's talk about ...

Let's talk about all the things in our way
And let em say that it's that we don't

Follow the
Color the ...
Say that it's ...
Say that it's ...
This land is ...
This land is ...
We can't be

Chorus [...]

This kinda love
This kinda love
Let's talk about love
Let's ... see what we can find
Don't let 'em change how we were made
We're
Don't think and just jump
Into the ... of your life
And let 'em say that it's amazing that we don't

Follow the
Color the ...
Say that it's ...
Say that it's ...
This land is ...
This land is ...
We can't be
