

### It's time to read.

#### Working people

My name is Joanna. I'm from Hungary and I live in Sopron. I work for a software company. We make online courses. I'm a sales rep and I meet customers. I sell the products to training companies and schools. We have three people in the Sales Department. I work in West Hungary and Austria.

My name's Fred Meesmacker. I'm from France, but I live in England. I work for Capgemini. It's a global company. We have over 300 offices in more than 40 countries. I'm a project manager and I manage a team of IT technicians. I have eight people in my team and they manage computer systems for the client. This month, we have a project with a food company.
