 35. A. Because B. Therefore C. But D. However

Read the article and then decide whether the statements are true (T) or false (F).

Information about what happens in the world comes to us in many ways. Television and radio are two important ways of the news. They get the news out faster than the newspapers and magazines, and they don't have to be read. Television and radio stations broadcast the news several times each day. In America, there are the news programmes every hour. People can choose the favourite TV programmes, such as sports, films, fashion, news, etc. People who cannot read get the news from television or radio easily.

	True	False
36. There are only two ways of getting the news.	☐	☐
37. Television and radio get the news faster than other ways.	☐	☐
38. Television stations broadcast the news several times each day.	☐	☐
