

1

Girl: Hi, I'm Kelly and I'm from Hawaii Island. That's the biggest of the eight islands of the state of Hawaii. Every July, my family and I spend our in the south of the island. Hawaii Island is beautiful and it's got , fantastic and volcanoes. At night, you can see the fire and the from the volcanoes. It's There are black in the south, but we don't go swimming there because the sea is . We go we play a lot of golf.

Boy: I'm Adam and I live in Miami in Florida. We sometimes go to the Everglades for our The Everglades are with a lot of grass, and there are rivers there too. There are birds and wild there and I love taking of them. We don't go swimming in the Everglades. It's because of the alligators in the water. Dad goes but my brother and I prefer going for
