Girl: Hi, I'm Kelly and I'm from Hawaii Island. That's the biggest of the eight islands of the state of Hawaii. Every July, my family and I spend our in the south of the island. Hawaii Island is beautiful and it's got , fantastic beaches and volcanoes. At night, you can see the fire and the from the volcanoes. It's ! There are black beaches in the south, but we don't go swimming there because the sea is dangerous. We go and we play a lot of golf.
