

## PREVIEW PRACTICE

### I) CHOOSE THE CORRECT FUTURE EXPRESSION/MODAL

- Doggo \_\_\_\_\_ to recover soon now that he's taking his medicine.
- New cancer treatments \_\_\_\_\_ to reduce side effects, according to specialists.
- Sara \_\_\_\_\_ arrive late today, she called to tell that there's too much traffic.
- The professor \_\_\_\_\_ assign group work today, he said that yesterday.
- The new government \_\_\_\_\_ be different from the previous ones, but I really doubt it, it's usually the same every 5 years.
- The new technology \_\_\_\_\_ help us understand each other in better ways, but also it can be the opposite.
- Recent university entry requirements \_\_\_\_\_ might discourage some postulants to enter university or maybe not.

- The neighbor's cat \_\_\_\_\_ sterilize next week, that's what Carmen told me.
