

My ideal home

After reading the model together, let's work with its vocabulary and sentences.

Hi there! My name is Nico, and I want to tell you all about my dream home.

First of all, my dream home has lots of rooms. It has a big bedroom with a beautiful bed. There is also a playroom with toys and games. It has a huge TV where I can watch all my favourite movies. I also want a big kitchen where I can bake cookies and cakes with my mom and dad. It also has a big garden with lots of flowers, trees, and a pool.

It is in a quiet and peaceful place, with lots of trees and birds singing.

That's all about my dream home! I hope I can live there someday and invite all my friends to play with me.

Next, let's put the sentences in order. Write 1-6

- ___ That's all about my dream home.
- ___ My name is Nico.
- ___ There is also a playground.
- ___ It also has a big garden.
- ___ First of all, my dream home has lots of rooms.
