Read the following passage. Write TRUE if the statement is true, FALSE if the statement is false, or NI if there is no information on this. (5 questions)

Folk tales refer to oral narratives of a particular culture and social group. They show the hopes and aspirations of the people of the group. They also have the function of transmitting and preserving the group's cultural values. Looking at folk tales, we can familiarize ourselves with the way the group sees themselves. Folk tales also display the group's opinions on justice, rights and social obligations. In these stories, laziness, greed and selfishness are punished and criticized. In a nutshell, folk tales provide many insights into the culture of a society.
