Catherine Cook

Catherine Cook was only 15 when she started myYearbook.com. She had the idea of creating a new (1) to help people find friends. She also had lots of great ideas about how to make myYearbook.com different from everything else on the (2)

myYearbook.com is now called MeetMe.com. When you join, you fill in a form and (3) a photo of yourself to the site. After that, you can start (4) for friends to add. It's not difficult to explore the site and (5) people. You can play games, post (6) , do quizzes and more. It's available on the web and as an app.
