

## Les Vêtements: Masculin ou Féminin?

Without using your notes, sort the clothing items and accessories below by gender so that you will know how to make color words agree with them.

| Masculin | Féminin |
|----------|---------|
|          |         |

|                     |                 |                     |               |                 |                 |                   |                    |
|---------------------|-----------------|---------------------|---------------|-----------------|-----------------|-------------------|--------------------|
| pantalon de jogging | maillot de bain | chaussures à talons | soutien-gorge | sweat à capuche | bottes de pluie | boucles d'oreille | lunettes de soleil |
| gilet               | imper           | pull                | jupe          | bottes          | slip            | chaussures        | leggings           |
| chemisier           | pantalon        | chaussettes         | jean          | blouson         | pantoufles      | manteau           | pyjama             |
| short               | tongs           | débardeur           | t-shirt       | costume         | baskets         | sandales          | robe               |
| chemise             | écharpe         | salopette           | gants         | montre          | lunettes        | cravate           | ceinture           |
