

Festival

Read the text and answer.

Six hundred years ago there was a terrible war in Spain between Moors and Christians. Moors came to Spain in the sixth century to live here after the visigodes and imposed their tradition and culture.

They called Spain "Al Andalus".

Isabel and Fernando were the catholic King and Queen who rescued Spain from Moors.

⟨ When did Moors come to Spain?

† What did they do when they came?

⟨ Where was the terrible war between Moors and Christians?

† Who were the catholic King and Queen?
