

Medieval Peasant Cottage

<https://www.youtube.com/watch?v=vTElaUXBCho>

MUD	STRAW	WOOD	HEATHER	SHUTTERED ¹
				

FRESH AIR	SMOKY	ANIMALS	SLEEPING BEDS
THIN	LIGHT	BASKETS	HOLE

TASK. Write FULL WORDS from above into correct places! (Letters at the beginning of gaps are hints!)

- The houses were made of w_____, s_____ and m_____.
- The roof was made of s_____ or h_____.
- The walls were very t_____.
- Humans and a_____ lived together under the same roof.
- The inside of the house was s_____.
- The windows were s_____.
- When the weather was fine, people opened the windows and doors to let in l_____ and f_____ a_____.
- There were no chimneys; there was just a simple h_____ in the roof.
- People hung their food in b_____, to keep it away from mice and rats.
- Houses usually had only one room, but the nicer ones had lofts for s_____ b_____.
- Beds were made of s_____.

¹ There are 'shutters' in the picture but in the task you'll need the Word 'shuttered'

For discussion: compare the medieval peasant cottage with the Estonian threshing barn!
