

## UNIT 6. TIMELINE

A **timeline** is a way of visually showing the different Ages of History. They are usually divided into 2 main parts, Before Christ (B.C.) and Annus Domini (A. D.).

It usually shows:

- The name of the **historical period**
- The starting and finishing **year** of each period
- Some of them include **pictures** that can help you remember the main events occurred in each period.

The main historical periods are: **Prehistory** (before writing was invented), **Ancient History** (includes great civilizations such as Ancient Egypt, Ancient Greece, Ancient China and Ancient Rome), **Middle Ages**, **Modern Age** and **Present Age**.
