**Choose T for true or F for false.**

- Body image issues can affect a student's performance at school.
- The problem is worse in the United States than in other countries.
- The main issue is how students think they look, not how they actually look.

### Watch Part 3 of the TED Talk.

**What suggestions does Ramsey make about how to "change our culture's obsession with image"? Choose all that apply.**

- ☐ Think carefully about the pictures and comments that we post on social networks.
- ☐ Say more nice things about people's appearance to improve their confidence.
- ☐ Stop letting young people use social networks during school.
- ☐ Focus less on attractive people and more on those who make a difference in the world.
