1

**BARRY**

I love festivals, but I get bored just sitting there and watching. I love music and I like to dance. For me, a good night begins when the sun goes down and ends when the sun comes up.

2

**DAISY**

I love going to the Five Fields Festival. There's so much to see: theatre, dance and music. I can't wait to see this year's bands play. That's where I'll be most of the time.

3

**NORMAN**

I really enjoy going to festivals, but I find them a little bit noisy. I enjoy sitting in the open air, watching a good play. This year, they're performing a comedy by Shakespeare. I'm looking forward to that.

4

**SANDRA**

I love music and play the piano, but I can't take that to the festival! I want to see some people doing tricks and performing. Something modern. I don't normally go to the circus because I don't like watching animals do tricks.

5

**CLINT**

This year's festival looks great. There are so many bands to see, and even films. I can't wait to play the guitar with Barking Bob. He's in one of the biggest bands in the US, and I can be in a band with him for the afternoon, while everyone else watches films and listens to music.

## The Five Fields Festival Falmouth

### Film Tent – East Field

**A**

Every day, at 4 p.m., we show films by some of the world's best directors – David Lynch, Jim Jarmusch, Roman Polanski, Ken Loach, and more... Bring a drink, bring a friend, take a seat, and enjoy the fun while the sun goes down.

**B**

### The Main Stage – Main Field.

Some of the biggest bands in the world play this weekend. You can hear The Atomic Squirrels, Us 7, The Jones, Psycho Panda, Norman Crumpet, Vince Le Diamond... It's going to be loud! You're going to dance! The music begins at midday and ends at midnight!

### Five Fields Theatre – West field

C

All the world's a stage, and so is the West Field! Daily performances of plays, dance and comedy. Relax and be entertained by artists, comedians and dancers ready to perform for you.

### Beat Hill – East Field

D

We have some of the best DJs playing hip hop, rave, techno, big beat and mash-ups. DJs Easy Rider, James, Andy Turner and more. There's an ice cream stall, light show and stage dancers. It's going to be one magical night. Dance from sunset to sunrise, and party like never before!

### Stone Circle – North Field

E

Modern circus as you've never seen it before. Physical theatre, mime, clowns, illusions and magic tricks. It's avant garde! It's new. No animals, just people making you laugh and entertaining you. The fun starts when it gets dark! Not to be missed!

### The Big Jam – South Field

F

We need you to be a part of the festival. Bring your own musical instrument! Every day, we're organising a jam where you can play music with world-famous musicians? Don't be shy and let's make some music together. The best way to listen to music is when you're!

### The Pyramid – West Field

G

Modern and classic dance performances by the British Dance Company. They'll start the festival with Swan Lake and with a modern-dance version of Romeo and Juliet. It's ballet with a different view of the world! You won't want to sleep after seeing what they can do!

5% isn't much, is it? But that's all we want – 5% of your pay from work. Just by giving this small amount of money each month, you can help millions of children around the world. We build schools and hospitals, give medicine, train doctors and find homes for children that have no parents. 5 ways to make a difference for just 5%.

## F A CHRISTMAS TURKEY! (or goat, chicken, cow or ox)

When people can help themselves, they'll stop needing our help. We give farmers in Africa their own farm animals so they can give their families something to eat. A hen for eggs costs just £5, and a cow for milk costs just £50. Make a family happy at Christmas and make giving your gift.
