

My name is \_\_\_\_\_

## Unit 7 & Unit 12 revision.

### 1. Choose the correct month of the year:

Which month is <b>after</b> February?	May	July	March
Which month is <b>before</b> January?	December	January	May
Which month is <b>before</b> July?	October	June	August
Which month is <b>after</b> August?	September	April	December

### 2. Fill in the missing numbers.

1 hour = 60 minutes	1 day = _____ hours
1 week = _____ days	1 month = _____ weeks
1 year = _____ months	1 minute = _____ seconds

### 3. Use the calendar to answer the questions.

Write the ordinal number:

JANUARY						
S	M	T	W	T	F	S
		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30	31		

What is the first Tuesday in January?	
What is the first Friday in January?	
What is the last Sunday in January?	
What is the second Thursday of January?	

JANUARY						
S	M	T	W	T	F	S
		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30	31		

Example: Friday 18<sup>th</sup> November

\_\_\_\_\_ (Day) \_\_\_\_\_ (Date) \_\_\_\_\_ (Month)

### 4. Write the date that is circled;

### 5. Match the analogue clock to the digital clock:

\*

\*

\*

\*

\*

\*

\*

\*

5. Match the analogue clocks to the time in words:

\*

\*

\*

\*

\*

\*

\*

\*

quarter past twelve	quarter past five	quarter to eleven	quarter to eight
---------------------	-------------------	-------------------	------------------

## 6. Choose the correct time of day

<p>I go to bed.</p> 	<p>Morning Afternoon Evening</p>	<p>I go to school.</p> 	<p>Morning Afternoon Evening</p>
---	--	---	--

## 7. Choose the correct digital time to match the analogue clock

	
<p>3:35    3:40    3:55    4:35</p>	<p>4:10    4:50    7:10    4:40</p>
	
<p>11:01    11:50    6:05    10:45</p>	<p>2:25    2:20    2:05    2:25</p>
