

Writing Practice

Create a paragraph similar to this with information about you:

Last week, I got up early everyday and I went to work. When I got home, I relaxed and watched TV. In the evening, I had dinner at 10:30 and then I went to bed at 1:00 a.m.

In my free time, I watched movies on Netflix or watched videos on YouTube. On Saturday, I visited my family and on Sunday I went to the gym.

Don't forget to use the simple past of regular and irregular verbs (affirmative or negative form):
