

Matemática

Nome: _____

Data: ____ - ____ - ____

1. Observa os ábacos. Escreve a leitura por extenso dos números representados.

A _____
 B _____
 C _____
 D _____

2. Compõe os números. Observa o exemplo.

$$(5 \times 100) + (3 \times 10) + (4 \times 1) = \underline{534}$$

$$(6 \times 100) + (4 \times 10) = \underline{\quad}$$

$$(8 \times 100) + (5 \times 10) + (7 \times 1) = \underline{\quad}$$

$$(9 \times 100) + (7 \times 1) = \underline{\quad}$$

3. Completa tendo em conta os valores das setas.

o dobro

1	
5	
10	
20	

o quádruplo

2	
4	
10	
20	

o quádruplo

2	
4	
10	
20	

4. Escreve a multiplicação correspondente a cada uma das imagens.

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

ou

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

ou

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

ou

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$
