## Round the Year.

***Put the sentences in right order and read the po***

1._____
2._____
3._____
4._____
5._____
6._____
7._____
8._____
9._____
10._____
11._____
12._____

In March gentle snowdrops appear,
October leaves are red and gold,
December is for Christmas fun.
November days have little sun,
In April true spring is here,
August brings delicious peaches,
January is for winter games,
May is a time for lively games,
June begins the holidays,
July takes children to the beaches,
September nights are often cold,
February is for fairy tales,
