

# READING COMPREHENSION

Hi! I am Sally Tomson, I am 8 years old and I live in London with my mum and my sister Emma.

My favourite animal is the cat. I have got two cats and their names are Lilo and Luli. They are grey and furry. They are friendly and quiet but they aren't dangerous and funny. I love my cats!

All the mornings, I get up at quarter past seven and then I wash my face. I have breakfast at half past seven. I eat a sandwich, a red apple and I drink an orange juice. I go to school at quarter to eight. I go to school by bus.

The school starts at half past eight. My favourite subjects are Arts and Spanish. I like P.E. but I don't like maths! I love school!

## 1. Choose the correct answer:
