

# Viral video

1. Read the scripts and complete the phrases in bold with the words you hear (Speakers 1 and 3)

1

A viral video is a video that becomes popular very quickly through the Internet. People share the video through social media and email. There isn't a <sup>0</sup> \_\_\_\_\_ for a viral video hit. But the most popular ones **have three things in** <sup>1</sup> \_\_\_\_\_. Firstly, they're really short. People **have short attention** <sup>2</sup> \_\_\_\_\_, especially when they're looking at websites, so the most successful viral videos are around three minutes long. Secondly, they engage your emotions; they may be funny, sad, shocking, entertaining or even extremely annoying, but they **make viewers** <sup>3</sup> \_\_\_\_\_ **something**. The third ingredient is story. Many of the most popular viral videos tell a simple story and the ones with an inspirational ending are the most memorable.

3

My favourite videos are the ones that **make you** <sup>4</sup> \_\_\_\_\_. It's usually because somebody **does something** <sup>5</sup> \_\_\_\_\_. For instance, there's a video of a man who dives into a frozen swimming pool. Well, I say he dives, but of course, he hits the ice and slides across the swimming pool. How can you be so stupid? [...] I couldn't believe it! And I love the one where a baby bites his brother's finger. The little brother puts his finger in his baby brother's mouth and, **surprise, surprise**, the baby bites it. I love **the** <sup>6</sup> \_\_\_\_\_ **on the baby's face – he's very pleased with** <sup>7</sup> \_\_\_\_\_.
