

John,
I've left some money on the kitchen table. It's for the books Dad ordered, but he will be at work all day. The postman will deliver the parcel early this afternoon. Could you please give him the money?

Dear All,

We are preparing a surprise class photo book with short notes about every pupil. If you want one for your child, the cost is £20. I will collect the money after the meeting next week.

Don't forget to send a photo of your son or daughter to veerit.ahlu@gmail.com. This is also a surprise for the teachers, so please don't say anything about it to Miss Jackson.

Best,
Paul Wilson

Friday, 15th August

Today was my last day in Greece. In the morning I went shopping for souvenirs. I saw a pair of beautiful earrings in one shop. The shop assistant spoke English and he told me how much he wanted me to pay for them. They were quite cheap. I decided to buy them later after looking around other shops.

When I went back to the first one, I got a nasty surprise. The time the earrings cost more than £100 before, I was a bit disappointed.

THE HISTORY OF LEGO

It all started in Denmark, over a hundred years ago, with a man called Ole Kirk Christiansen. He had a shop where he sold things made of wood such as chairs and stools. **8.1.** That's why Ole started making wooden toys, which were much cheaper. He called them "Legø" because it sounds similar to the Danish "leg godt," which means "play well". They became very popular. However, a few years later something terrible happened. **8.2.** But he didn't give up. He rebuilt it and had a brilliant idea. His starting material was a completely new kind of wood, which he also called "Legø". **8.3.** It was a huge success! Now, thanks to Ole, kids around the world develop their creativity with LEGO.

Dear Weng,

I am pleased you would like us to organise your birthday party. Here are the answers to your questions. The best places to play **Bubble Football** are **parks** or **playgrounds**. But a beach is also possible, if you would like to have the party there. A party for 22 people is no problem. We are charging more than the standard number of bubbles, but you will have to pay £11 for each extra bubble.

I look forward to hearing from you.

Best wishes,
