

Juntemos las bolsas

Cuenta los elementos de las bolsas y escribe el número que corresponde. Junta ambas cantidades y une con una flecha el resultado final.

$$\boxed{} + \boxed{} =$$

$$\boxed{} + \boxed{} =$$

$$\boxed{} + \boxed{} =$$

$$\boxed{} + \boxed{} =$$

A yellow fabric sack with a red drawstring at the top. Inside, there are five blue wrapped candies with white swirls. To the right of the sack is the number **5**.

$$\boxed{} + \boxed{} =$$

A yellow fabric sack with a red drawstring at the top. Inside, there are eight green wrapped candies with orange stripes. To the right of the sack is the number **8**.

$$\boxed{} + \boxed{} =$$

A yellow fabric sack with a red drawstring at the top. Inside, there are six colorful lollipops (pink, yellow, blue, and two more of each). To the right of the sack is the number **6**.
