

Interview for "Super J"

Listen, then put the interview from Helen's school magazine "Super J" in the right order.

But at first after listening make a training exercise. **Training exercise**

- Super J: Hello, Helen. So, you are the winner! Congratulations!*
- Helen: Oh, I don't know what dance. My own creation.*
- Super J: It was cool! What form are you in?*
- Helen: Thank you.*
- Super J: What kind of music do you like?*
- Helen: The fifth.*
- Super J: You are a real dancer. What dance was it?*
- Helen: Of course, I am. Love gives me the energy to dance.*
- Super J: Are you in love, Helen?*
- Helen: Latino music. And I play the piano, so I love classical music as well.*
- Super J: Is your prince from our school?*
- Helen: Yes, he is. But it's a secret. Hush, hush. He doesn't know it yet.*
