Good evening. This is Michael Fish with the weather forecast. It's almost the weekend, and a lot of people are going away. We're going to look at the European weather forecast for Saturday.

Let's start in England. It's going to be partly cloudy in London with a high of 11 degrees Celsius. Paris is also going to see similar weather conditions. The rest of France is going to be warm and sunny with temperatures of 19 degrees Celsius in Bordeaux and 17 in Marseille. There is also going to be sunny weather in Italy. The temperature in Rome is going to be about 17 degrees Celsius.

What about the rest of Europe? Well, it isn't going to rain, but it's going to be cold. It's going to be cold and mostly sunny in Warsaw with a temperature of 7 degrees Celsius. Stockholm is also going to be very cold with a high of 6 degrees Celsius.
