Holidays in or out?

Listen to the text and answer:

1. What are the benefits of spending holidays in your own country?
2. What can you miss if you don't go on holidays abroad?
3. what problems can be there with hotels with many people?
4. what can be a big issue for many tourists?

Listen to the question at the end of the audio once again.
What is your opinion?

something new in my country
What region?
Why?
What city?
Hotel, car or camping?

a new country
What country?
Why?
By a plane, train or a ship?
What would you like to see there?
