

# LANCO - Greatest Love Story

They I nothing but a troublemaker never up to no  
 good  
 You the perfect all American girl touch me  
 even if you  
 But you was sneaking out your window every night riding  
 shotgun in my car  
 We go to the river and find us a spot and we probably went a  
 little too far  
 Just a little too far  
 'Cause I gonna be your forever  
 You gonna be my wife  
 We know any better  
 have a clue about life  
 But I what you you what I  
 And we meet in between  
 We gonna be the greatest love story this town had ever  
 seen  
 So you off to college and I a job I was working that 9  
 to 5  
 Dreaming of the days when you in my arms I've never  
 felt so alive  
 I my days working, my nights drinking, howling  
 at the moon  
 Screaming for the days when you were coming back, no  
 come to soon  
 come to soon  
 When I was gonna be your forever

### Chorus

So you back after a long four years  
 Your college boyfriend work out  
 So we out for a couple of drinks to find out who we are  
 now  
 Sure we but way deep down you the same old  
 feelings for me  
 I to the store and I you a ring and I down on  
 one knee  
 Down on one knee  
 And I

### Chorus
