My neighborhood is very beautiful and quiet. There are a lot of big houses and some tall buildings. The streets are very clean, and there aren't many cars. My school is quite far from my house. I usually walk there in 20 minutes. Sometimes my dad drives me to school. He is an engineer in a company near my school.

There's also a park, which has a small playground for children. I like to play baseball there with my friends after school. There aren't any restaurants or cinemas on my road. But, if you take a bus to Main street, you can find a lot of buildings and areas for entertainment. My favorite bookstore is opposite Elly's pharmacy. It's called Jingle Bells.

I like my neighborhood because it is very safe. And, all of my neighbors take care of each other. The police station is next to the school, which is very nice. However, the hospital is quite far. It is in the center of our city, and most of our neighbors get there by subway or car.

My friends live near me, and we often meet up to play or just talk. We love playing badminton in the park. I think I am lucky to live in my neighborhood.
