Teen Magazines

G Teenplus is very different from the average teen magazine that simply offers articles on pop stars and fashion. It also offers a variety of reviews on recent books, films and music CDs.

Questions 11 – 20

Look at the sentences below about a comedy club for young people, called Comedy Kids.
Read the text on the opposite page to decide if each sentence is correct or incorrect.

If it is correct, mark A on your answer sheet.
If it is not correct, mark B on your answer sheet.

Do you enjoy watching comedy? Do all your friends at school think you tell great jokes? Then why not come and see what's happening at Comedy Kids? Comedy Kids own comedy clubs in several countries that are run just for young people aged 10-15. They're real clubs with real comedians, who are just as familiar with working in adult comedy clubs as they are working with children. But don't take our word for it – come and see for yourself! The Comedy Kids company was set up by John Winterton, who says that no one had thought of being a stand-up comedian for young people until he came along. His act quickly became so popular that he soon found lots of other comedians who wanted to join his company and perform for families and young people. And if you think, as many others do, that a young people's comedian leaps on stage in a brightly-colored costume and big red nose – think again. John usually appears dressed in a cool black jacket and trousers – more like a Hollywood movie star than a circus clown! If you're having a party at home Comedy Kids can come and perform for you there at your party – just ask! Of course, it's not the same as performing on stage, so we're always looking for comedians in the clubs who are good at working with small numbers of young people – and we've discovered there aren't many of them about! But the ones we have found are brilliant. Your very own comedian will also help you to tell your guests some jokes and silly stories – and they can join in too if they want! It'll be fun – and very different from any party you've ever had before! Here at Comedy Kids, it's not just about the adults telling the jokes. We also have very short 'open spots' where young people get the chance to perform. But we've yet to find someone who can do that without preparation, so we've set up the world's first 'Comedy Classes' to teach young people how to tell jokes on stage. At the moment our classes are only monthly, but we're planning to start a number of others over the coming year. So if you want to be a comedian but don't want to wait until you grow up, this is where you can do it. And if you're creative but feel you're lacking in the confidence to speak up, we can certainly help. We'll listen to what you want to do, and try to make it happen. So what are you waiting for? Come and join Comedy Kids!
