Read the text and choose the correct answer. TRUE or FALSE or DOESN'T SAY IT.

David White is our Geography teacher. He likes his job very much, but Mary, his wife, doesn't like her job. She's a Maths teacher in our school. She doesn't like her job because some students don't like her subject. Some students in my class don't like Geography, either. I think it's interesting, but I prefer History.

Mr and Mrs White's daughter, Zoe, is in my class. She says that her dad helps at home. He sometimes does the shopping and takes out the recycling, and he always feeds the cat. He often cooks dinner, too. Zoe usually loads the dishwasher and vacuums the floor. Mr White never cleans the car because his son, Andy, does it.

The Whites have got a dog called Flint. He's very big and friendly. Andy always gets up early and takes Flint for a walk before school. I often ask my parents for a dog, but they always say no because we live in a flat. The Whites have got a big garden. I think Zoe is very lucky because she's got two pets!
