### WHAT'S YOUR FAVOURITE PLACE IN YOUR HOUSE?

- a This is really my mum's space, but I love doing my homework here at her large **1** desk. There's lots of light because it's next to the **2** \_\_\_\_\_. She hasn't got many books on the **3** \_\_\_\_\_, but there are a lot of photos.  
**Jordan, Manchester**
- b I think I've got the biggest room in the house. I spend most of my time there on my **4** \_\_\_\_\_, reading, listening to music or sleeping. My room's tidy because I've got a large **5** \_\_\_\_\_ for all my clothes and other things. **Naomi, Boston**

- c We spend a lot of time in here sitting at the **6** \_\_\_\_\_ talking. There's always something cool to drink in the **7** \_\_\_\_\_ and there's often something cooking in the **8** \_\_\_\_\_.  
**Meena, Mumbai**

- d It has to be this room. When I wake up, I always have a **9** \_\_\_\_\_ before I do anything else. Other people prefer to have a **10** \_\_\_\_\_, but I think that wastes a lot of water! **Sebastien, Brussels**
- e That's an easy question! I like relaxing on the **11** \_\_\_\_\_ with my sister and watching TV. My brother prefers lying on the floor. We've got **12** \_\_\_\_\_ on the floor, but I think that's uncomfortable. **Stefan, Vienna**
