Today was Culture Day! It was one of the best days so far at the summer camp. We could decide to go either to an art gallery to see a photography exhibition or visit the war museum. I chose the gallery, because I'm keen on photography while my friend Adam went to the war museum. But he later said that it was rather disappointing – crowded and with no interesting exhibits. We were also planning to go to a graffiti show in the afternoon, but when we got there all the tickets had been sold. That meant we had to watch it online back at the camp. Still, the day was awesome – the photos I saw were brilliant!
