

## AT THE KITCHEN!

Sophie went to the market last Friday. Laura's birthday is on Monday and Sophie wants to prepare a delicious chocolate cake!

Sophie is reading the recipe<sup>1</sup> carefully in the living room. She needs to know the steps<sup>2</sup> before start cooking. When she finishes, she goes to the kitchen and start preparing all the ingredients.

She needs eggs, milk, flour, cocoa, butter and sugar.

She starts mixing the milk, the eggs and the flour. Later she adds the butter and at last the sugar.

Immediately, she puts the cake in the oven...Mm it smells delicious!

But OH NO! Sophie forgot the cocoa!

-Oh no! I forgot the cocoa! What can I do now? It's a delicious cake, but it isn't a delicious chocolate cake! - said Sophie.

-Hello Sophie! Mmm...what are you doing in the kitchen? It smells delicious!! - said Sophie's Dad.

-I was preparing a cake for Laura's birthday but I forgot<sup>3</sup> the cocoa! -said Sophie very sad.

-Don't worry Sophie, tomorrow we can go to the market to buy more sugar and flour. We can prepare a cocoa cake for Laura. And we can eat this yummy cake! -said Dad.

Sophie was very happy because she can do other cake for Laura!
