Tortilla Pizza

Do you want to make yourself a tasty snack?
Try a tortilla pizza!

- Ask an adult to turn on the oven. Set the temperature to 400° Fahrenheit.
- Put some soft tortillas on a baking tray.
- Cut up your ingredients. As a way to get some protein, maybe add some cooked meat like chicken.
- Spread tomato paste over the tortilla.
- Put your ingredients on the tortilla, then sprinkle cheese over the top.
- When the stove is hot, put in the baking tray. Ask an adult to help.
- Cook the pizza until the cheese is melted and the tortilla starts to turn brown.
- Take the pizza out and sprinkle it with fresh herbs.
- Let the pizza cool down. Now enjoy eating it!

A Read and complete.

protein | sprinkle | 400° | ~~make pizza~~ | melted | herbs
