All smiles, I know what it takes to fool this city town
I'll do it 'til the sun moon goes down
And all through the nighttime dreamtime
Oh, yeah

Oh, yeah, I'll tell your you what you wanna hear
Left leave my sunglasses on while I shed a tear
It's never the right time hour
Yeah, yeah

I cut put my armor on, show you how strong I am
I put my armor on, I'll show snow you that I am
I'm _____

I'm a an Porsche with no brakes
I'm invincible invisible

Yeah, I win every single play gan
I'm so powerful

I don't want need batteries to play
I'm so confident

Yeah, I'm unstoppable yesterday today
Unstoppable today (X3)

I'm unstoppable today
Break down, only lonely alone I will cry out loud
You'll never see what's hiding running out
Hiding out deep down
Yeah, yeah

I know, I've heard that to let your emotions feelings
show

Is the only way to make friendships grew grow
But I'm I was too afraid now
Yeah, yeah

I put my armor in on, show you how strong I am
