

Beautiful Day by U2

Listen to the song and fill in the gaps with the words in the box:

destination	heart	feel	imagination	flood	get away
light	hopeless	traffic	cloud	room	out of luck

Theis a bloom, shoots up through the stony ground
But there's no, no space to rent in this town
You'reand the reason that you had to care,
Theis stuck and you're not moving anywhere.
You thought you'd found a friend to take you out of this place
Someone you could lend a hand in return for grace

It's a beautiful day, the sky falls
And you feel like it's a beautiful day
It's a beautiful day
Don't let it

You're on the road but you've got no
You're in the mud, in the maze of her
You love this town even if it doesn't ring true
You've been all over and it's been all over you

It's a beautiful day
Don't let it get away
It's a beautiful day
Don't let it get away

Touch me, take me to that other place
Teach me, I know I'm not acase

See the world in green and blue
See China right in front of you
See the canyons broken by a
See the tuna fleets clearing the sea out
See the Bedouin fires at night
See the oil fields at first
See the bird with a leaf in her mouth
After theall the colours came out

It's a beautiful day
Beautiful day
Don't let it get away

Touch me, take me to that other place
Reach me, I know I'm not a case

What you don't have you don't need it now
What you don't know you canit somehow
What you don't have you don't need it now
You don't need it now, you don't need it now.

Beautiful day.
