

Relación entre suma y resta

No olvides empezar a restar por el primer sumando.

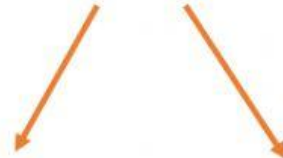

$$3 + 6 = \underline{9}$$

$$9 - 3 = \square$$

$$9 - \square = \square$$

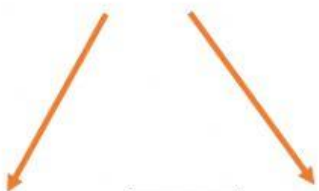

$$2 + 8 = 10$$

$$10 - \square = \square$$

$$10 - \square = \square$$

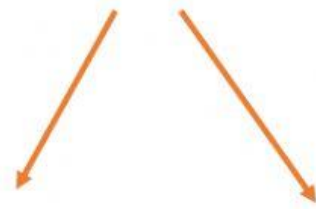

$$5 + 6 = 11$$

$$11 - \square = \square$$

$$\square - \square = \square$$

$$2 + 5 = 7$$

$$\square - \square = \square$$

$$\square - \square = \square$$
