I often stream videos and watch TV programmes, but I don't want to watch actors ... I want to be an actor! I'm in a drama club and we usually meet once a week. Now we are meeting at the weekend, because we're doing a play. We're practising in a theatre at the moment! I'm working hard because I speak a lot in the play. There are also singers and dancers in the play. They are singing and dancing in the theatre now.

I think clubs are great places to meet people. They usually like doing the same things as you. And you make lots of friends!
