Listening: **How far I'll go** • Listen the song. • Stop and listen again as much as you need • Slow the song if you need to. • Fill in the gaps with the missing words

I've been staring at the edge of the _____

'Long as I can remember, never really knowing_____

I wish I could be the perfect_____

But I come back to the water, no matter how hard I try

Every turn I take, every trail I track

Every path I make, every road leads back

To the place I know, where I can not_____, where I long to be.

See the line where the_____ meets the sea? It_____ me

And no one knows, how far it goes

If the_____ in my sail on the sea stays behind me

One day I'll know, if I go there's just no telling how far I'll go.

I know everybody on this island, seems so _____ on this island

Everything is by design

I know everybody on this island has a role on this_____

So maybe I can roll with mine

I can lead with pride, I can make us_____

I'll be satisfied if I play along

But the voice inside sings a different song

What is wrong with me?

See the light as it shines on the sea? It's blinding

But no one knows, how deep it goes

And it seems like it's calling out to me, so come find me

And let me know, what's beyond that line, will I cross that line?

The line where the sky meets the sea? It calls me

And no one knows, how far it goes

If the wind in my sail on the sea stays behind me

One day I'll know, how far I'll go
