

Listening: How far I'll go • Listen the song. • Stop and listen again as much as you need • Slow the song if you need to. • Fill in the gaps with the missing words

I've been staring at the edge of the _____
 'Long as I can remember, never really knowing _____
 I wish I could be the perfect _____
 But I come back to the water, no matter how hard I try
 Every turn I take, every trail I track
 Every path I make, every road leads back
 To the place I know, where I can not _____, where I long to be.

See the line where the _____ meets the sea? It _____ me
 And no one knows, how far it goes
 If the _____ in my sail on the sea stays behind me
 One day I'll know, if I go there's just no telling how far I'll go.

I know everybody on this island, seems so _____ on this island
 Everything is by design
 I know everybody on this island has a role on this _____
 So maybe I can roll with mine
 I can lead with pride, I can make us _____
 I'll be satisfied if I play along
 But the voice inside sings a different song
 What is wrong with me?

See the light as it shines on the sea? It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know, what's beyond that line, will I cross that line?
The line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go
