

What is a leprechaun?

Read and answer the questions.

A leprechaun is a magical person that comes from Irish stories. They are very small and they wear green coats and hats. They like to make shoes. They are very intelligent.

Leprechauns have gold that they keep in pots. They hide the pots at the end of the rainbow. If you catch a leprechaun, he has to give you his gold. But watch out! Leprechauns are very clever and they usually escape before they give away any gold!
