

What are you doing on Saint Patrick's Day?

Read the tasks and match the names with the statements

Jeremy

Saint Patrick's day is a very important day for me. I love to hear the stories and get together with friends on that day. Every year, I take part in my town's Saint Patrick's Day parade. My friends and I dress up as leprechauns. We march and wave to the people. The kids love it. I'm glad to be part of such a fun activity!

Nina

I love saint Patrick's Day because we always have a party at my school on this day. We help the teacher decorate our classroom and we play games. Our mothers send in green food - cookies, cake, juice, etc. We learn about the history of Saint Patrick's day and we have trivia quizzes. It's great!

Meghan

Saint Patrick's Day means getting together with my friends. My parents let me have a party in our backyard. We dress up in funny costumes and we eat lots of junk food. My friends bring their guitars and sing old Irish folk songs. Sometimes we try Irish dances. We have a lot of laughs and we really enjoy ourselves.

Choose the correct answer.
