  - The students of 8–12 grades.

# About the school

"The school of the future" is in \_\_\_\_\_. It is really an unusual place because students and teachers do not use traditional \_\_\_\_\_ there. The teachers use interactive whiteboards and \_\_\_\_\_ materials when they teach the students. And the students write their tasks in class and do their homework on the \_\_\_\_\_. "Smart" technologies help to teach many \_\_\_\_\_. In math class they use special programs that check the students' exercises. In French and German classes the students record their speech to find their \_\_\_\_\_ themselves.

# Your Jurassic adventure awaits at ROARR!!

If you're looking for authentic prehistoric action, especially from the *Jurassic* era - then you need to visit the largest dinosaur adventure park in the UK! Have a Jurassic day out at the Dinosaur Adventure Park in Lenwade. See dinos come to life, and check out the splash zone, go kart tracks and crazy golf!

Kids can collect stamps on a card for a reward at the end.

Choose things that you can do at the "ROARR!"

- make a splash
- play tennis
- go kart tracks
- play computer games
- try crazy golf
- go exploring
- see dinos
- have lessons
- climb to the new heights
