Finally, you can feel (7)_____ if you live a long way from other people.

In (8)_____, there are both pros and cons to living in the countryside. However, in my opinion, the peacefulness of the countryside makes it a very attractive option.

II. Read the text carefully, then answer the questions.

Many people enjoy living in a big city because they think life is more exciting there. However, I come from a small village and in my view, there are lots of benefits. The main reason I prefer village life is because it's very quiet, so I always feel calm when I'm here. Another reason is that the air is so fresh and clean. We have more green spaces and bigger gardens, too. In addition, I think the people here are friendlier. Personally, I'm interested in wildlife photography, so the countryside is perfect for me.

The only downside is transport. I have an early start for a long Journey to school in Faro and the school bus is always stopping to pick up more people. Also, it's boring sometimes, but I enjoy chatting to my friends. Fortunately, I'm learning to ride a moped. On balance, I disagree that city life is better, as I think my village lifestyle is healthier and more relaxing. In spite of that, some of my friends couldn't cope with life in the country, so it comes down to personal opinion.
