## Advanced Exercise 4

|           |          |           |
|-----------|----------|-----------|
| leery     | cross    | miserable |
| indignant | exultant |           |

1. I felt \_\_\_\_\_ and frustrated when my mother refused to believe that it was my brother who broke her precious vase.
2. The dog was \_\_\_\_\_ of the man with the large stick. The dog avoided the man at all cost
3. He was a lonely, \_\_\_\_\_ wretch. He never sported a smile and was always moping around.
4. "Call your manager!" the lady sneered. She was \_\_\_\_\_ about the way she was treated by the waiter.
5. My brother and I were \_\_\_\_\_ after winning the air hockey tournament. We triumphantly pumped our fists in the air.

## Expert Exercise 1

|             |           |         |
|-------------|-----------|---------|
| regretful   | riled up  | charmed |
| melancholic | perturbed |         |

1. Eyes cast down, Karen was \_\_\_\_\_ about her actions. She wished she had not treated Sam so poorly.
2. Alicia was \_\_\_\_\_ by the real estate agent's offer. It was an offer she simply could not refuse. Mouth agape, she stood there in awe.
3. Stacy was \_\_\_\_\_ by the mean comments left on her blog. Gritting her teeth, she was determined to type out a storm.
4. Lindsey is \_\_\_\_\_ by nature. She gets sad easily.
5. Upon hearing the news, she was clearly \_\_\_\_\_. Her lips quivered and her eyes darted around.

## Expert Exercise 2

|          |          |            |
|----------|----------|------------|
| wary     | grateful | hostile    |
| grievous |          | distraught |

1. The loss of their only son was a \_\_\_\_\_ blow to Mr and Mrs Smith.
