MY BLOG

Hi! My name's Catalina, I'm fifteen years old. I'm from Mendoza, in the west of Argentina.

I love my city, there are lots of great things to do!

I go to a big school, it's really cool and I have got a lot of incredible friends. I like going to school, but my favourite day is Sunday because I can do what I want. I get up at half past nine and make my bed.

Then, I have breakfast and visit my grandparents. There, we have a barbecue.

In the afternoon I sometimes meet my friends, or watch TV. In the evening I have a shower and prepare for school on Monday.
What's your favourite day?
